are reading from?

A. 1997. This is dated March 31, 1997.

MR. SIEMINSKI: Let's mark that as Exhibit 3 please.

(Napor Exhibit No. 3 was marked for identification.)

Q. What I understand you to be saying in response to my question is that the volume of business had to be at least -- I was going to repeat the figure you gave me, but it appears that the total of this document Exhibit 3 is $121,000 and change?

A. I'm sorry, I was giving the current balance. Yes, that's correct, $121,972.

Q. Since that document is dated 1997 it would appear that the volume of business that WRS did with Plaza prior to July 24, 1998 was at least approximately $121,000?

A. Yes.

Q. Could have been more?

A. Yes.

Q. Doesn't appear that it could have been less based on the document you are holding?
